

Uniform Policy

Please read the uniform policy carefully before purchasing any dance shoes or clothing. We strongly recommend purchasing your uniform from a dancewear store to ensure the quality and longevity of the garments and shoes. There is also a variety of second hand shoes and clothing available to purchase at the studio. If you want to sell any used items please bring them to class in separate zip lock bags labelled with your name, the item description, size, colour and price.

Dress Up Day!

On the last lesson of each term only, all Pre-School, Pre-Primary, Primary, U4, U6, U8, Level 1 and Level 2 students can choose their favourite costume or outfit to wear to class.
